Please submit three (3) set of plans and one PDF format with all associated installation and data sheets. Applications will be processed within 14 calendar days. Fees are required to be paid in full prior to work commencing. The permit is valid for 180 calendar days. If construction or work is suspended or abandoned for a period more than 180 calendar days then a new permit will be required including review and inspection fees. Application for which no permit is issued within 90 days following the date of application shall be considered abandoned and expired by limitation. Permit types denoted with an asterisk (*) may also require an electrical permit.

I am the owner of the property described above or am authorized by the owner to sign and submit this application. I certify under penalty of perjury of the laws of the State of Washington that the information on this application and all information submitted herewithin is true, complete and correct. I also acknowledge that by signing this application I am the responsible party to receive all correspondence from the City regarding this project including, but not limited to, expiration notifications. If I, at any point during the review or inspection process, am no longer the Applicant for this project, it is my responsibility to update this information with the City in writing in a timely manner.
