

— Mount Vernon Library Commons —

## CURRENT ACTIVITIES

The installation of the west and east stairways is complete. Efforts into the month of June will continue to focus on the installation of mechanical, electrical and plumbing components, completion and curing of the traffic coatings in the parking garage, and continued build-out activities on the first floor such as interior storefronts, paint, and floor finishes.

## PROJECT HIGHLIGHT

Mount Vernon Library  
Commons and Commercial Kitchen

- 9,396 Square Feet Total
- Digital Display in the Commons
- Meeting and Conferences Spaces
- Commercial Kitchen
- Walk-In Cooler and Freezer

# PROJECT TRAFFIC IMPACTS

3rd Street will be closed between W. Kincaid and W. Broadway for the duration of the project. Be alert for temporary traffic revisions along S. 2nd Street & Kincaid Street as the site finishes and landscaping activities take place over the next few months.

For questions or concerns regarding project impacts, please contact the City at [Libcomconst@mountvernonwa.gov](mailto:Libcomconst@mountvernonwa.gov) or call 360-419-3252

## SCHEDULE

The majority of scheduled activities into the month of June will be focused on the construction of the exterior and interior finishes, installation of mechanical, electrical and plumbing finishes, and elevator installation.
