**JOIN THE FRIENDS OF THE
MOUNT VERNON LIBRARY
TODAY**

Friends are advocates for literacy and reading, and promote the library as a vital informational, cultural, and educational asset to our community.

The Friends of the Mount Vernon Library help the Library provide services and events it wouldn't be able to offer without support

PURPOSE

The Friends of the Mount Vernon Library

- Enhance the functions, resources, and services of the Library;
- Heighten public awareness of the Library; and
- Encourage gifts and bequests to the Library from corporations, businesses, community organizations, and private citizens.

About the Friends

The Friends is a 501(c)3 organization dedicated to supporting the library by providing funding, direct service or in-kind support of library projects and events, and advocating for the library.

Members of the Friends lend their support through membership dues, donations of money or materials, and volunteerism.

Friends also have fun by attending library events, business meetings, and helping at the annual Book Sale. The Friends are an enthusiastic group of community members that believe in having fun while supporting their library.

Recent Accomplishments

The Friends provide supplemental funding to the library. Proceeds from membership dues, donations and fundraisers help pay for special library programs and services not funded by the regular library budget.
